This Agreement is signed by Yunnan College of Finance and Economics (Party A) and Phetchabun Rajabhat University (Party B). Both parties hope to sign this Cooperation Agreement to indicate the intention of cooperation between the two parties. The parties shall establish a relationship of cooperation and collaboration as follows:

1. Cooperation Goals

In order to proactively respond to the national "Belt and Road" initiative (the BRI), Party A is committed to enhancing the international influence of vocational education. Party A aim to serve the national strategy and promote international production capacity cooperation. Furthermore, seek to further strengthen exchanges and cooperation with countries along the BRI. To achieve this, the two parties have actively established cooperative relations and jointly carried out cooperation in academic exchanges, cultural exchanges and visits, students' education upgrading, teacher training, and subject areas.

2. Content of Cooperation

The Cooperation Agreement between Party A and Party B shall be performed through the following activities or projects:

(1) Explore academic exchanges and cooperation.

① The two schools may co-host academic seminars, international forums and other academic activities on a regular basis to strengthen academic field construction and improve the academic level and influence of the two schools.

② Experts and subject teachers of the two schools may co-publish academic articles in international journals or Thai core journals.

③ The two schools may conduct in-depth cooperation in a certain subject area and develop new topics.

(2) Cultural exchanges and mutual visits.

The two schools may regularly conduct cultural exchanges and mutual visits, and hold cultural, artistic, and language activities in which both teachers and students can participate, so as to achieve educational and cultural complementarity from all levels and strengthen the good belief of cultural communication and complementary concepts. Enable students and faculty members to be exposed to different cultural backgrounds of China and Thailand, promote cross-cultural exchanges and cultivate new and diversified international talents, and broaden their international horizons.

(3) Education promotion.

Yunnan College of Finance and Economics may select and send teachers and students who are interested in improving their personal academic qualifications to Phetchabun Rajabhat University in Thailand for academic improvement, including undergraduate, master's and doctoral studies. The discipline direction can be selected according to the needs of teachers and students.

(4) Subject area cooperation.

Develop and expand cooperation in disciplines. The two schools can jointly discuss, plan and implement the development of multi-field curriculum projects, explore innovative talent training programs, promote academic innovation, and improve the discipline construction level of the two schools.

3. Difference Negotiation

If there is a difference between the interpretation of this Agreement by both parties, it shall be resolved through friendly negotiation.

4. Validity of the Cooperation Agreement

The Cooperation Agreement becomes effective on the date of signing and will remain ineffect from 2024/10/24 to 2029/10/23 (yy/mm/dd). Either party can suspend cooperation during the validity period of this Agreement, but must provide the other party with written notice three months in advance. When the two parties did not follow this Agreement or the ongoing achievements, academics or activities did not comply with the Agreement requirements. Terminate the cooperation between the two parties in education quality assurance.

If any party wishes to extend the time limit of this Agreement within the duration specified in the Agreement. Both parties must notify each other in writing at least 3 months in advance. Either party can send a written notice to the other party at least 3 months before the expiration of this Agreement, indicating its intention to renew the Agreement, and it can only be renewed after both parties agreed in writing.

5. Revision, change and amendment

(1) Any party can propose revision, changes or revision to this Cooperation Agreement in writing.

(2) Such revision, changes or amendment shall take effect on the date determined by both parties.

(3) Any revision, change or amendment shall not damage any project, activity or cooperation based on this Cooperation Agreement that has been implemented before or after the date of this revision, change or amendment.

(4) This Agreement of cooperation is written in Chinese and English, and both versions have the same legal effect. The two versions must be consistent. In case of any discrepancy, the Chinese version shall prevail.

(5) In case of any dispute arising from the cooperation between the parties, the dispute shall be settled in accordance with the laws of the People's Republic of China.
